**The winning class for the Box Tops this time around is Mrs. Staumbaugh. Her class donated 512 box tops! Way to Go!!!!**

There will be two more winning classrooms by the end of the year. We will have one more drawing close to the end of the year for the classroom who collects the most box tops and then we will have an over all winner. So, keep those box tops coming in.

Year to date totals per class room are:

Petersen	71	Gregory	409	Witherell	297
Morley	179	Staumbaugh	518	Ledbetter	235
Lytle	107	Hicks	226	Martin	171
Taran	310	Black	259	Winters	142
LaFontaine	200	Schuyten	286	Erickson	331

That all adds up to 3,741 which equals \$374.10

Thanks so much to Penny Cates for collecting, cutting, and tracking all this data!
